

La Farge Elementary Supply List

La Farge Elementary classrooms use community supplies!

This system helps foster a sense that our classrooms and everything in them belong to everyone. It helps our students learn how to share and cooperate, and ensures that all children have what they need. Teachers have also found that using community supplies saves time.

All tools and supplies necessary to the learning done at La Farge Elementary are purchased by the school; we are asking families to send in only a few personal items for their student this year.

If you would like to purchase supplies for your student, they can be kept at home for special projects and homework, or they will be added to our community supplies.

If you have any questions, please ask your child's teacher.

For the 2017-2018 School Year:

Students in grades **4K – 5** should have:

- Backpack
- 1-inch clearview 3-ring binder with pockets
- 1 ream of white copy paper
